DSI introduced online application for Certificate of Personal Data

To facilitate application of electronic administration advocated by the Special Administrative Region (SAR) Government, endeavor in extending online services has been continuously made by the Identification Services Bureau (DSI). Following the online application for the Certificate of Criminal Record and the Certificate of Association and Foundation, online application for the Certificate of Personal Data commenced service today.
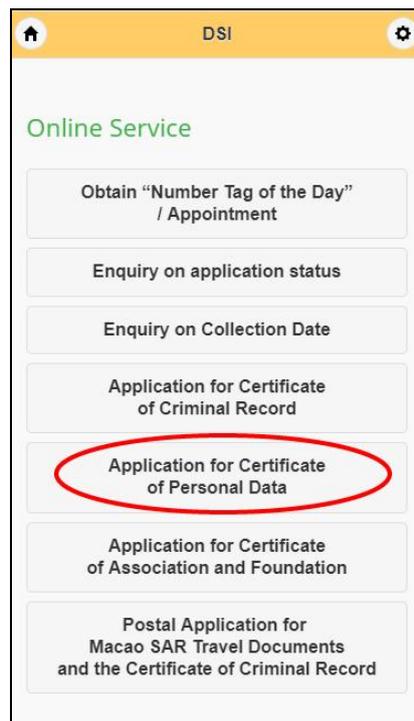

The online application service for the Certificate of Personal Data targets holders of valid Macao SAR Resident Identity Cards who are aged 18 or above. Applicants are recommended to go through the application formalities via their mobile devices (such as smart phones) and are required to download the "DSI Service Station" APP in advance. To start the procedure, applicants will need to visit the "Online Service" Zone on DSI's website (www.dsi.gov.mo) and click the "Application for Certificate of Personal Data" button. Then, applicants are required to confirm their email address and input related data on the website, followed by submitting the image of the front side of the identity card and signature via mobile APP. Lastly, applicants will be directed to proceed online payment. Applicants are required to download and print the application receipt. Besides, applicants may choose to collect their certificate either at DSI or at the Government Services Centre. The demonstration video of the above-mentioned service can be found on DSI's website (www.dsi.gov.mo/video/certOnline.mp4).

The online application service is not applicable to persons who need to submit supporting documents for the application. Such applicants have to go through the application formalities at DSI's service counter in

person. For enquiries, please call the service hotline: 2837-0777.

Applicants can scan the QR code to start the application for the Certificate of Personal Data online
