Electronic identity card verification service added to integrated self-service kiosks

In order to facilitate the verification of authenticity of electronic Macao Special Administrative Region Resident Identity Cards and obtaining the relevant verification record, the Identification Services Bureau (DSI) started providing the relevant service at integrated self-service kiosks starting from today (23th November).

Holders of electronic Macao Special Administrative Region Resident Identity Card can verify their electronic ID cards with integrated self-service kiosks located at 48 locations in Macao. After verification, they can also choose to print out the result for free. Besides, there is an update on the printout of verification record (see attached picture).

DSI will continue to study the extension of functions and locations of integrated self-service kiosks, so as to provide citizens with more convenient self-services. For details about the functions and locations of integrated self-service kiosks, please refer to DSI's website (www.dsi.gov.mo/kiosk_other_e.jsp).

For enquiries, please call 2837-0777 or 2837-0888 or email to info@dsi.gov.mo.
