

Press Release

2021-05-21

Part of online services will be suspended on this Friday night due to DSI system maintenance

The Identification Services Bureau (DSI) will conduct system maintenance on 21st May 2021 (Friday) from 10 p.m. to 12 p.m., and online services provided through the “Common Access to Public Services of the Macao SAR” where information from DSI is needed will be suspended at that time (including application for marriage certificate, application for birth certificate, application for subsidy for senior citizens, application for the Certificate of Criminal Record and so on). Citizens can still apply for the Certificate of Criminal Record through DSI website if needed. DSI are sorry for any inconvenience caused.

The relevant services will resume normal after the above-mentioned maintenance works have finished.
