DSI online services will be suspended on this Friday night due to system maintenance

The Identification Services Bureau (DSI) will conduct system maintenance on 3rd December 2021 (Friday) from 10 p.m. to 11 p.m. and all DSI online services and identification-related services provided through the “Common Access to Public Services of the Macao SAR” will be suspended at that time. DSI is sorry for any inconvenience caused.

The relevant services will resume normal after the above-mentioned maintenance works have finished.
