

Macao SAR Travel Documents (2019 version)

Considering the need for timely updating of the anti-counterfeiting features and design of Macao SAR travel documents that have been in use for over ten years, and meeting the latest standards of the International Civil Aviation Organization (ICAO), the 2019 version of the Macao SAR Passport and the Macao SAR Travel Permit will be issued from December 3, 2019.

Main anti-counterfeiting technologies

Enhanced cryptographic chip

The chip with enhanced encryption technology further reinforces the security of the data stored in the chip of the documents.

Laser perforation technology

Laser perforation is used to create multiple minute holes for the photo and ID number image of the holder.

Tactile Features

Macao's emblem, lotus flower, etc., are printed in tactile patterns.

Macao SAR Passport (2019 Version)

Macao SAR Travel Permit (2019 Version)

Multi-colour UV printing

The inside pages display a multi-colour Macao night view with a starlit sky and fireworks as the background under UV light.

Macao SAR Travel Documents (2019 version)

Issuance

It does not affect the use of the original documents.

For the application submitted on and after December 3, 2019, the DSI will issue the new version of the Macao SAR travel documents. Existing SAR travel documents will remain **valid until the expiration of the validity period**.

Unchanged Eligibility

Applicants who are permanent residents of the Macao SAR with Chinese nationality are eligible for the Macao SAR passport. Applicants who are non-permanent residents of the Macao SAR with Chinese nationality and are not eligible for other travel documents are eligible for the Macao SAR Travel Permit.

Optimized Application Process

- Photo: Applicants of the new version of travel documents can have their photos **taken on site**.
- **Online application** will be launched by the end of 2019.

Fees

The issuance fee for the Macao SAR Passport is **MOP 430** and the Macao SAR Travel Permit **MOP 360**.

Important Notes

Photo

If residents choose to submit their own photos when applying for a new version of their travel documents, they must submit a recent **photo taken within the last 6 months**.

Temporary special arrangements for urgent application and self-service

As a computer system upgrade is required for launching the new version of travel documents, **urgent applications will not be accepted between December 2 and 3, 2019. And the self-service will be suspended from 11:00 pm to 1:00am of the next day during December 2 and December 3.**

Renewal Requirements

Renewal of the travel documents can only be applied for **within nine months before the expiration** of the travel documents.

Please visit the DSI website for details.
